

STORAGE RULES

1st May 2017 to 30th April 2018

Casual Storage - Trailer, Mast, Jinkers & Other

All storage items are to have an RSAYS Identity Tag attached (available from the Squadron Office) and stored only in the authorised allocated areas on Squadron premises.

Please refer to the attached map for the 2 approved storage areas for masts.

AREA #1 - This is the existing Mast Storage area on the Eastern Boundary

AREA #2 - A newly designated area on the unsealed NE end of the Hard Stand area. Please note no masts are to infringe on the grassed area.

AREA #3 - Dinghy Shed in the main clubhouse or SE Dinghy Storage Shed

Storage fees apply to both approved outside areas and the sheltered areas of the main dinghy shed and the SE Dinghy storage shed.

All other areas are not approved unless arrangements are made with the squadron office prior to the item being placed in the area. Particularly areas requiring emergency egress, access to maintenance facilities, general club aesthetics and function areas.

Penalties will apply to items stored in unauthorised areas or without squadron authorisation. These fees and charges are listed below.

Currently Container Storage is only available on application and conditions apply.

Members are reminded to please ensure that any contractors that they make arrangements with are aware of the storage and maintenance facilities usage fees that apply. Members wishing to utilise the maintenance facilities (Free of Charge, as part of their membership), particularly the yellow crane, Mast Crane and access to the sheet pile wharf are reminded to make a booking via the squadron office to avoid inconvenience of double bookings and associated charges to contractors.

If you require further explanation, or would like to contact the club to discuss your needs, the Squadron Office is open 7 days Mon-Fri until 5pm and Sat-Sun until 4pm

Contact the Squadron Office at

p. 8341 8600
