BIA SA SERVICE TO THE INDUSTRY AWARD:

Is presented to a person/s from within the recreational boating industry that is nominated by a member of the BIASA for their outstanding contribution to the marine industry and who meets any one or more of the criteria below :

- Excellence of operation
- The development of the recreational boating industry
- Innovation

The Service to the Industry Award recognizes outstanding contribution/s to the industry from media, members of the industry and other associated organisations or individuals.

Presentation of this Award will assist with promoting the development and achievements of the boating industry.

Alternatively, The Boatman of the Year Award is presented to recognize contributions to recreational boating by persons outside of the industry and to promote recreational boating and the achievements of those who participate in these activities.

The 2017 Service to the Industry Award will be presented at the 2017 Adelaide Boat Show Industry Breakfast, 7.15am for 7.30am Friday 30th June 2017, Adelaide Showground.

Members are invited to nominate person/s that they consider fulfill the criteria as set out above.

Please fill in the attached Nomination Form and either email or post to the Boating Industry Association SA by the due date.
