LA SIRENE BREWING CO. - VIC

Fleur Folie Saison – 375ml

IBU: 24 ABV: 6%

\$14

Fleur Folie (literally meaning blossom madness) is styled along a classic Saison Miel and on opening a bottle overwhelms you with fresh aromas of Wild Honey Flowers, pepper and spice. This beer is deep gold in colour with an orange hue and has a soft malt backbone, layered complexity and sweet malt tones which are rounded off with a dry prickly finish. The classic Belgian yeast imparts a kiss of tartness and orange blossom tones including a textured mid-palate with a lingering hop earthiness and lively effervescence to finish.

Saison – 375ml

IBU: 26 ABV: 6.5%

\$14

A classic farmhouse style of southern Belgium, saisons are rustic, golden ales made with expressive and idiosyncratic native yeasts.

La Sirène Saison is true to style, with a subtle backdrop of premium European Pilsner malt and understated hops allowing fruity yeast characters to take centre stage. A generous and well integrated alcohol content rounds out the mouthfeel and further lifts the aromas. A dry finish and a tart kiss ensure this beer is most food friendly and thirst quenching

Wild Saison – 375ml

IBU: 20 ABV: 6.5%

\$15.5

A beer for those who like it funky. Fermented and aged with wild Brettanomyces yeast, this is probably Australia's truest expression of 'the funk'. 'Brett' yeast character has been described as 'barnyard', and 'horse blanket', so this is not for the faint of heart. Recommended for those who like their pungent cheeses and spontaneously fermented wines.

Super Saison – 375ml

IBU: 32 ABV: 8%

\$18

A beer for the adventurous, rich, powerful & orangy (macerated orange skins) on the nose with a great rounded body and pronounced yeast driven characters and supporting alcohol.

Praline – 750ml

IBU: 18 ABV: 6%

\$29

A very special Belgian chocolate ale. Building on a Belgian stout base, it is brewed with organic vanilla pods, cacao nibs from Mexico and hazelnuts and with a creamy body, it is velvety, dark and seductive. Can you stop at one?

Moa St Josephs is a classic Belgian Tripel. Strong spice, caramel and banana ester characters create complex flavours and aromas which are heightened by its extended bottle conditioning period. The combination of bittering hops, malt and candy sugars compliment the high alcohol content and integrate into a very approachable and drinkable Tripel.
